

This is a cross-reference list for entering your horses at NAN.

It will tell you how a breed is classified for NAN so that you can easily find the correct division in which to show your horse. If your breed is designated "other pure," with no division indicated, the NAN committee will use body type and suitability to determine in what division it belongs.

Note: For the purposes of NAN, NAMHSA considers breeds that routinely fall at 14.2 hands high or less to be ponies.

Stock Breeds

American White Horse/Creme Horse (United States)
American Mustang (not Spanish)
Appaloosa (United States)
Australian Stock Horse (Australia)
Australian Brumby (Australia)
Bashkir Curly (United States, Other)
Brumby (Australia)

Cumberland Island Horse (United States)
Djerma (Niger/West Africa)
Dongola (West Africa)
Hirzai (Pakistan)
Iomud (Turkmenistan)
Karabair (Uzbekistan)
Karacabey (Turkey)
Kathiawari (India)
Maremmano (Italy)
Marwari (India)
Morgan (United States)
Murghese (Italy)
Novokirghiz (Kyrgyzstan)
Persian Arabian/Iranian Asil (Iran)
Qatgani (Afghanistan)
San Fratello (Italy)

¹ American Saddlebreds are not naturally gaited, it has to be taught to them. While certain individuals show aptitude to being 5-gaited, and those are the ones that are trained, the vast majority of the breed is not gaited (only 10% of the breed according to the ASHA). This is why, for the purposes of this list, they have been moved to Light Breeds.

Tawleed (South Africa)
Turkoman (Turkmenistan)
Unmol (Punjab States/India)
Ventasso (Italy)

Gaited Breeds

Aegidienberger (Germany)
Boer (aka Boerperd) (South Africa)
Deliboz (Azerbaijan)

Cob Breeds (Excluding British Native Breeds)

Gypsy Vanner (aka Gypsy Cob, Irish Tinker, Coloured Cob, Tinker Horse) (United Kingdom, United States)
Gypsy Drum²
Norman Cob

Show Cobs/Lightweight Cobs/Heavyweight Cobs/Maxi Cobs (United Kingdom)

Note: Show Cobs as listed here are not a breed; they are a type. The British Show Horse Registry is a performance registry similar to the National Cutting Horse Association. It does not record bloodlines; one just has to register your horse to participate in sanctioned shows. A registration lasts one year and only requires a valid UK horse passport and a certified height measurement.

From their registration rules:

Conditions of Registration

Horses must be registered annually. Only registered Horses, including Novices, may be entered in Affiliated classes. Non-Members may purchase up to a maximum of two 'Day Tickets' per Exhibitor, per Rider, per Horse, per season. A Day Ticket will allow entry into Amateur, Home

² Note: NAMHSA is aware that Gypsy is seen as pejorative by members of the Roma community. As the hobby evolves to discontinue use of this term, this list will be edited.

Produced, In-Hand, Novice, Working, Young Rider and Open Affiliated classes only, but not RIHS or HOYS qualifying classes. Horses registered using the 'Day Ticket' DO NOT require a JMB Height Certificate until full registration.

Only horses that have paid the current HOYS Levy will be eligible to qualify and compete at the Horse of the Year Show in the current year.

Section 2, Part B Registers. <http://britishshowhorse.org/bsha-rule-book.asp>

Buckskin (Color Breed)
Palomino (Color Breed)
Pintaloosa (Color Breed)
Pinto (Color Breed)

Extinct/Ancient Species

NOTE: Taxonomic family equidae ONLY. There must be evidence from skeletal remains to judge conformation.

Archaeohippus
Cormohipparion
Dinohippus
Eohippus/Hyracotherium
Hippidion
Hypohippus
Kalobatippus (limited skeletal remains discovered)
Megahippus (limited skeletal remains discovered)
Merychippus
Mesohippus
Miohippus
Neohipparion

Orohippus
Parahippus
Pliohippus
Protohippus
Pseudhipparion

At this time any species listed with limited skeletal remains is not eligible for a breed card. As more discoveries on these species are made, their status will be updated.
